PROJECT ANNOUNCEMENT

Red Sea – Dead Sea Water Project (Phase I)

ADDENDUM NUMBER 01

Ministry of Water and Irrigation/ Jordan Valley Authority

herby modifies the final date to purchase the Pre-qualification document to Prequalify companies and consortia of investors and developers for the development of the Red Sea – Dead Sea Water Project (Phase I) on a Build, Operate and Transfer (BOT) basis, from the original date of January 30, 2016 to be open for purchase by interested bidders at any time prior to the final submission date of the PQ proposals on March 30, 2016 as announced in the PQ document without any change to the final submission date.

This addendum forms a part and modifies the original PQ Documents for:
Prequalification of companies and consortia of investors and developers for the development of “The Red Sea – Dead Sea Water Project (Phase I)” on a Build, Operate and Transfer (BOT) basis.

Eng. Saad Abu Hammour

Secretary General/ Jordan Valley Authority
Chairman of the Special Tendering Committee
