Hisban Water Desalination and Conveyance

No.	Questions	Clarification / Notification
1	Kindly confirm the concession period of the project i.e. 15,20,25...etc years as it was not mentioned in the documents	the concession period of the project will be 15 years
2	How would you suggest a candidate which is an infrastructure investment fund to submit the information requested under the section 4.4(section 2under Appendix A- Form 3) of the call for submission of prequalification documents? On other RFQs with MWL, the ministry had specific forms for investment funds.	Fill all Appendixes (A-C) in form 3 & submit all supporting documents.
3	Regarding to the last 3 years annual reports query under the section 4.4 (section 1 under Appendix A-Form 3) of the call for prequalification documents ,could you please confirm whether the financial statements audited by an external advisor would be sufficient for the submission?	The financial Statement should be Audited by certified Auditor and no matter if it is external.
4	For the form /the additional documents required to be submitted ,could you please confirm that the evidence of a power of attorney given to the signatory who is designated to sign would be sufficiently enough in the cases that a designated signatory would sign the documentation on behalf the candidate ? In this regard, could you also confirm that the evidence of a power of attorney given to the signatory who is designated to sign or any form /additional documents would be apostil led or notarized?	It needs a power of attorney according to attached forms, and at this stage no need to be notarized
5	Related to the process of the selection eligible bidders, when would WAJ anticipate to announcement of the short list of the eligible bidders following the submission date?	The eligible bidders will be informed officially
6	What would the best practice in order to secure best incentives for PPA or FIT, forming a local company or invest as a foreign entity?	It will be determined later in RFP
7	What are the taxation laws if a foreign held company is the operator of the scheme?	The investment law (No.68 of 2003) as mentioned in item 2.2.5, and any other laws will be mentioned in RFP.
8	What is the min term of contract granted by the government? Can a deal be made with an existing grid operator based on PPA or FIT? If so, what are the conditions and procedures?	Any conditions or procedures requested for such deal with existing grid operator will be illustrated in RFP & Project Agreement.
9	Are PPA and FIT's subject to an annual increase? If so what is it based on?	It will be illustrated in RFP
10	What is the currency of payment in the FIT or PPS contract?	It will be determined in the RFP
11	What is the payment periods, monthly, quarterly etc?	It will be determined in the RFP
12	Who effects the payment and what is the accuracy of such payments to terms?	It will be determined in the RFP
